**Testimonials:**

*"Ms. Jeremie's experience has been varied and extensive and includes in excess of 1,000 hours in the report function on full disclosure financial statements.... As Area Managing Partner in KPMG Peat Marwick, Ms. Jeremie's experience with this firm, make us believe her to be well qualified to practice as a Certified Public Accountant."*

*David B. Holmes  
Area Managing Partner  
KPMG Peat Marwick*

---

*"In the time that I have known her, Marie has shown to have a strong work ethic, a positive attitude and an enthusiasm for learning. She was a great asset to the Department and a key member of the accounting team.*

*Her past successes, graduating from a highly regarded business school, working for a "Big 6" accounting firm, and passing the CPA exam, demonstrate her hard work and drive."*

*Susan G. Langlois, CPA  
Controller  
Polymer Technology Corporation*

**Marie Edwine Jeremie-Constantin, CPA**

President & CEO

Marie Edwine (Maggie) graduated from Bentley College in 1991, and became certified as a Public Accountant in 1995. Marie spent 4 years in public accounting (External Audit) with KPMG Peat Marwick, one of the "BIG 4" World's Best International CPA firms. She also spent 2 years at Liberty Mutual Insurance Group (Internal Audit) as part of the International Audit Team where she travelled extensively to Mexico, Venezuela and Canada because of her language skills (speaks fluently 4 different languages, including French, Spanish and Creole). Simultaneously working in the corporate sector, including National Grid/Keyspan/Boston Gas, Marie has been for over 20 years, the President and CEO of her own private practice, today's [jeremiecpa.com](http://jeremiecpa.com), which offers Accounting and Business Consulting Services for Individuals, Small businesses and Non-Profits.
